Welcome to the Light

Our New Welcome Statement

At our congregational meeting on Sunday 16 February, Christ Church Lutheran approved the welcome statement printed below. This statement was one result of a congregation-wide conversation around the possibility of becoming a Reconciling in Christ (RIC) congregation. This RIC designation means joining the roster of Lutheran congregations that have made a public statement welcoming their lesbian, gay, bisexual, and transgender brothers and sisters in Christ.

Shortly after we approved our welcome statement, we sent a copy to ReconcilingWorks, the organization that oversees the RIC program. They were delighted to receive it.

The work of getting our information placed on their website took a little time—but as of the beginning of April, Christ Church Lutheran was officially listed as a “Reconciling in Christ Congregation.”

As many have said throughout this process, this listing hopefully will provide a good way for people in our community to find us and to know that they and their loved ones will find a welcome in our midst.

Even beyond this, however, the process of writing this welcome statement and approving it as a congregation has allowed us to articulate something important—something at the very center of who we are. And that is this: We exist as a community of faith only in and through God’s mercy in Christ.

In the book of Romans, Paul describes God as one “who gives life to the dead and calls into existence the things that do not exist” (Romans 3:17). We have been welcomed into this family of God not by any right or claim but by the sheer grace and mercy of God. When we welcome others, it is into this very same grace and mercy.

And so, let us pray that such grace would continue to fill our lives, so that through us the light of Christ’s mercy might continue to shine in warmest welcome. And through it all, may God continue among us the radical Easter work of giving life to the dead and calling into existence the things that do not exist.

Peace to you in Christ.

—Pastor Haaland

At Christ Church Lutheran, we say, “Welcome to the Light!” What does that mean?

The welcome comes not from the surface but from deep within us—it is something you will feel the first time you visit.

It is you who are welcome, whoever you are—regardless of ethnicity, sexual orientation, gender identity, mental and physical challenges, economic status, views and beliefs.

The welcome is genuine, even though it comes from imperfect people. We all live in daily need of God’s mercy, which heals, forgives, and reconciles us.

Our welcome has its source not in us but in our namesake, Christ Jesus. Christ is the one who welcomes, and Christ is the Light. That light is reflected in our beautiful sanctuary and, we hope, in the faces and actions of every member and guest among us.

Welcome to the Light!
Announcements

Retirees
Retirees will meet at 11:00am on Wednesday 28 May in the Concordia Room. Check the bulletin for program details. A potluck lunch will follow. Everyone is welcome.

New Member Sunday
New member welcome Sunday is coming up on Sunday 18 May. As our congregation grows, we celebrate. Meet and welcome new members during coffee fellowship after worship.

Our Facebook Page
Christ Church Lutheran is on Facebook. Please “like” our page and invite your friends to do so as well. We post events, special announcements, upcoming forum topics, fun photos, and other content on this page. Join us!
**Finances Update**

The finance committee wants to provide you with the most current information about our congregation’s finances. In addition to other communications, we will provide a quick report on the state of our operating budget in each issue of *The Courier*.

Our member (envelope) giving is still a little over $7,400 behind our budget plan. We hope that this will improve with next month’s report, which will include Easter giving. We are about $10,400 over budget with our expenses, mostly due to high winter energy bills. In addition to including Easter giving, our bottom line should look better next month because our income will include $12,011 in budgeted transfers from endowment returns and our investment account. Council will make a special assessment of our financial situation next month, which they are planning to do periodically to evaluate how we are doing with the ambitious budget we adopted for this year.

“*The Bells Invite Us to Sit Quietly for a While*”

If you rarely venture into the choir loft, perhaps you’ve never actually seen those bells you hear each week after the sermon. Here they are. They were inspired by similar ones at Saint Gregory of Nyssa Episcopal Church in San Francisco after a group from Christ Church visited there in 2007. Like the ones there, these are Asian singing bowls, but we strike them instead of making them “sing.”
Cheers to Century Society Members & Gratitude to the Gliems

Century Society members are those who have designated Christ Church Lutheran in their planned giving. Join us to honor Century Society members after worship on Sunday 4 May in the Luther Lounge. The entire congregation is encouraged to attend to honor these members.

In addition, we will hear the story of the $650,000 gift received recently by Christ Church Lutheran from the estate of Dick and Doris Gliem and celebrate the wonderful blessing of their generosity to us.

The church BierKlub has offered to provide beer for this event. Pub-type snacks will be served, as well as coffee, cake, and root beer for young and old. After the event, children of all ages can dance around a Maypole in the courtyard, weather permitting.

We are very pleased to announce that Bishop Jessica Crist will be our preacher that day and will be welcomed at this morning celebration after worship. Bishop Crist is bishop of the Montana Synod, the home synod of Pastor Haaland.

Here’s one way you can help: We can’t honor you as a Century Society member if we don’t know who you are. If you have designated Christ Church Lutheran in your planned giving or would like to do so, please contact an endowment committee member: Birgitte Christianson, Donna Lindberg, Leo Lopez, Melody Pauling, Gerry Tyrrell, and Colin Watkins. We hope to see everyone at the celebration on 4 May after worship.

From the 22 April Council Meeting

In lieu of reproducing the minutes of each council meeting, we are offering highlights. Complete minutes are always available for review from the church office.

The council welcomed Dick Bruesehoff, who described current research about important size transition thresholds as congregations grow. Dick focused specifically on the transition from a pastor-centered church to a program-centered church, which is relevant to Christ Church Lutheran. The discussion on this issue was lively and the council made plans for a forum about this topic in the fall.

The council discussed the recent gift of $650,000 from the estate of Dick and Doris Gliem, making a provisional decision to allocate $500,000 to the organ fund and $150,000 toward expenses for the building. The organ and the building are the two areas that Dick identified when giving this gift. The council decided on the amounts going to each fund based on these reasons: the organ seemed prominent in Dick’s mind; there are other possible sources of funding for the building, including the Friends of Christ Church and various grants; the timeline for these building expenses is much longer than the timeline for the organ.

The council initiated plans for celebrating this gift from the Gliems and telling its story at a forum on 4 May. This forum will also include a presentation by the endowment committee celebrating members of the Century Society.

The council approved a memorial gift to Lutheran Social Services of $100 in honor of Melody Pauling’s father, the Rev. C. H. (Duke) Pauling, who recently passed away. He was a Lutheran pastor and longtime friend of this congregation.

The council approved a request from the preservation committee to (1) allocate $2,000 and (2) request matching funds from the Friends of Christ Church for the purpose of commissioning plans from an architectural firm for upgrading the tower door. The goal is to allow safe exit during an emergency and secure electronic access.

Thrivent Choice Dollars
“Direct Now . . . and Add $20” Campaign

Thrivent members, select our congregation the first time you direct Choice Dollars between 1 April and 31 May 2014 and our church will receive an extra $20 grant from Thrivent Financial. If you need assistance with how to make this designation of your Thrivent Choice Dollars, ask a member of council or a member of the stewardship, finance, or endowment committees.
Many Thanks

Just a note of thanks to all of you who helped with the memorial service for Bernice Eisfelder and who served the wonderful luncheon after the service. Our family greatly appreciates all the work you did and the support and kind words that we received. The service was a beautiful tribute to Bernice and helped us get through a difficult day. It was comforting to have so many friends and family members gathered together to share our moment of sadness and to join together in songs of hope. God bless you all.

—Eisfelder Family

My family and I would like to thank the Christ Church Lutheran family for all of the kind words and prayers for us on the death of my father, the Reverend C. H. “Duke” Pauling, and for the many prayers for him over the years. He lived a long and full life until his death at age 103, and he appreciated your care and support.

—Melody Pauling

Thank you to all who helped set tables, shop, prepare, serve, clean up for the twelve soup meals during Lent. Special compliments to the chefs of the delicious soups! These meals provide a time for good conversation. Thank you also for the assortment of pastries that were donated for the Continental Easter Breakfast. We have feasted well once again!

In the News

The Past & Present of Newborn Blood Screening

My daughter, Margaret, is an unsung hero. I must speak for her. When she was diagnosed with phenylketonuria (PKU) at thirteen months, it was already too late. Her brain had been devastated by this insidious metabolic disease.

Because of this, her uncle—Dr. Robert Guthrie of the children’s hospital in Buffalo, New York—speeded his research to diagnose PKU earlier. His simple “heel prick” became the newborn screening test currently being used worldwide. It became Minnesota state law in 1965. Margaret was born in 1958.

With modern technology, Guthrie’s test now “picks up” fifty-four additional debilitating and sometimes fatal disorders. Treatment can then start far earlier. Cystic fibrosis is one such disease.

Blood spots must be saved for the emergencies when children suddenly become ill and for helping to develop new tests. Legislators, listen to the pleas of eminent pediatricians in Minnesota (“The case for keeping newborn test results,” March 1). They have seen our heartbreak as parents. They love children.

It was too late for my beloved daughter. Don’t make it too late for our other beautiful Minnesota babies.

Volunteers Needed for Summer Programs

Christ Church’s summer program for kids needs volunteers. This year, in addition to the preschool classes, we will be offering classes for elementary-aged children. The summer program will run 9–27 June, Monday–Friday 9:00am to 12:00pm. If you are interested in helping the teachers, fill out the Summer Program bulletin insert sometime in May or contact Sally Messner, Program Director, at sally.messner@gmail.com.

Olli Hirvonen Trio at Christ Church

On Wednesday 28 May at 7:30pm, hear jazz guitarist Olli Hirvonen and his trio at Christ Church Lutheran. This young Finnish guitarist, currently based in New York, is the most accomplished Finnish guitarist of his generation. He also happens to be dating the sister of one of our newer members, Stephanie Wieland. Olli visited Christ Church for the baptism of Steph and Matt’s daughter Miriam and decided he really wanted to make music in our building. This concert is being sponsored and promoted by members of the Finnish community in the Twin Cities. Tickets are $13.
Blessed Easter. He is risen! Alleluia!
Thanks to Stephanie Gustafson for providing these wonderful photos.

Organ Task Force Update

For the last few years, the organ task force has been working, quietly but steadily, on a plan for addressing the problems with our current instrument. It is a complicated undertaking but one we believe is important to our life as a congregation so deeply rooted in worship and liturgy. Here is a recap of the steps we have taken in the past two years.

- In the summer of 2012, while considering the restoration of a historic organ from Saint Paul’s Lutheran Church in Cleveland, Ohio, we hired WeberNelson Consulting to perform a feasibility study. Though it indicated that the congregation was not ready to embark on such an ambitious campaign, the study provided us with several recommendations that have been instrumental in shaping our work since that time.

- In early 2013 we commissioned a report from Riedel Associates on the current state of our organ and the sanctuary’s acoustic environment. The extensive report offers, in both words and photos, evidence of the deterioration and structural deficiencies of our current instrument. The report makes clear that, while it is possible to repair our existing organ, it will never meet the standards for a good parish organ. Based on this information we strongly recommend replacement instead of repair.

- In autumn of 2013 the task force developed a strategic vision statement for the organ project. This document identifies the place of the organ within our congregational life and establishes our goals for the future.

- Additionally, members of the organ task force have participated in long-term planning efforts for both building projects and finances. We recognize that a new organ is a substantial investment, but it is only one of many significant projects in Christ Church Lutheran’s future.

- Finally, the task force has begun talking about our specific needs for an instrument, and we plan to hire a consultant to help us with the detailed process of selecting and planning for our new organ.

The next few months will bring new challenges and opportunities as the task force moves from vision to concrete decisions about design and function, and we ask for your prayers as we make the transition. If you have questions about the work of the task force, please contact any of our pastors or cantors.

Lenten Collection for Community Emergency Service

During Lent we collected donations of money, food, and hygiene items for the food shelf at Community Emergency Service (CES). During Holy Week we were able to deliver 172 pounds of food and hygiene items. Thank you for your generosity. In addition, we were able to send CES a check for $365—this amount will be augmented when we send in all the coins that our children have been collecting. Thank you also to the stationery group, which made Easter cards to send out in their home delivery baskets. Gratitude abounds.

A Remarkable Woman: Hildegard of Bingen on Spirituality, Health, and Healing
Almut Furchert

In these two forums you are invited to journey into the life and work of a fascinating woman who was not only a monastic leader but also an inspiring theologian, philosopher, composer, and naturopath.

May 11. The Soul and Its Tent—Hildegard’s World. We begin this journey with a glimpse of monastic traditions in medieval Europe and then will explore some of Hildegard’s spiritual writings and illuminations. This will help us understand her views of humanity, the world, and God and how these can speak to our current longing for healing and wholeness.

May 18. In the Presence of God—Hildegard on Healing. In the second forum we take a closer look at Hildegard’s concept of health and healing, how it is integrated into her cosmic worldview and her naturopathic and ecological philosophy. This introduces us to a wonderful chapter in European heritage—monastic medicine. How is creation translated into God’s pharmacy and the rhythm of seasons into the rhythm of life? How can the mind and heart speak to each other in simple but sophisticated ways?

Dr. Almut Furchert is a trained psychologist, philosopher, and practitioner with special interest in existential and integrative approaches to health and healing. In the last years she has spend time studying Hildegard and monastic medicine, reading her books, and traveling along the Rhine to visit her monastery.

Naming and Claiming Your Strengths: A Morning Retreat at Christ Church

Is there anything more satisfying than doing something that you’re proud of, you’re good at, and you enjoy? Wouldn’t it be wonderful if you could live that way all the time?

While that’s not possible all the time, if you haven’t taken time to explore these questions, you may be less likely to know your strengths and be deliberate about using them.

The stewardship committee is delighted to sponsor this experience of Dependable Strengths. Together we’ll explore the gifts and strengths we each have demonstrated in our day-to-day lives.

All ages—younger and older—are welcome. All you need to bring is yourself and your own life story. Look for a sign-up sheet in the weeks before the event. For more information, please contact Pastor Haaland.

Wines of South America with Scott Tuneseth

Scott Tunseth will return on May 18 to continue our journey through the wine regions of the world. Next stop is South America, a region that has become an increasingly important source of unique and affordable wines. South America’s climate and soil conditions have spared the grape vines from diseases such as phylloxera that have at times devastated vines in other wine regions. The class will include a tasting of seven or eight different wines from a number of regions of South America, accompanied by cheeses and other small bites.

Registration is $20 | tickets must be purchased in advance from Pastor Haaland | attendance is capped at 18

The tasting will take place in the courtyard if the weather cooperates. If not, the tasting will move to the Kretzmann Library.
