Our Summer Together

Exciting work is beginning at Christ Church on May 15!

You will not be able to miss it, and you will not want to miss it. Your Second Century Capital Campaign money is being put to work. Thank you!

To name just a few of the extensive improvements that will be made: the courtyard will be dug out to repair decades of water problems; the step outside our main doorways to the courtyard will be eliminated for safety; the Japanese lilac tree whose roots are creating problems below ground will be replaced; courtyard pavement will be replaced with new, even pavement.

In order to do this major construction, the familiar entrances to the education building and the sanctuary will be closed for the summer. The courtyard and the fountain will be closed during construction. We invite everyone to come every Sunday and check out the progress.

The north entrance of the education building, the alley door, and the tower door will be our summer entrance and exit doors. Use what is most convenient for you. It will be very visible that the usual doors will not be accessible. Come a little early on Sunday, May 21 to decide which entrance is best for you. If you park on 33rd Street, the tower door and the alley door will be closest. If you park on 34th Avenue, the north door of the education building will be closest. A doorbell will be installed at the alley door and north education door to help with accessibility during the week. The doorbell will ring in the office and you will be let in.

On Sundays at the close of worship, the pastors will greet us at the front of the nave. So sit in the front and be the first to get your coffee and treats. The hallways in the education building will be accessible, however we need to keep them clear of furniture for emergency exit code. Therefore, Sunday coffee will be served in the lounge this summer. It will be air-conditioned and comfortable. Activities for children will be on the Kid Cart placed outside, where children can play on the lawn.

We will help each other find our way as we celebrate the preservation and restoration of our beautiful church being done with love for generations yet to come.

Meanwhile, inside the church . . .

The view toward the back of the church will soon (and temporarily) be dramatically changing. The existing organ will be removed the last week of June. In preparation for that, the screen will come down sometime in late May or early June.

Once the organ is removed, work on the organ chamber will proceed. In April the organ task force held a meeting involving John Panning from Dobson Organ Builders, Angela Wolf Scott, our architect from MacDonald and Mack, and involved persons from the congregation. At this meeting we worked out most of the remaining details of the construction plan. The chamber must be solid to provide the best acoustics. Also, we want to minimize vibration. To accomplish these goals, we may need to reinforce the ceiling in the chamber, and the space between the walls will be filled with either sand or gravel to increase the density of the wall while still allowing moisture to pass through the wall.

A Unique Gift
Check out the hand crafted stationery by the women of Christ Church. A table is set up by the Yellow Room in the education wing each Sunday. Buy cards to send, or give a package of cards as a gift. On the left is a sample of the beautiful work done by our stationery crafters.

Christ is risen indeed!

**Do You (or Did You) Play an Instrument?**

Near the end of June, our organ will be removed, and we will worshiping without it for nearly a year. How will the music be led during that time? By our cantors, in a number of ways. We have our beautiful Yamaha grand piano, which will be moved near the front of the nave for the time being. And we will be trying out some different ways of singing together—some of it without paper in front of us.

But we would also like to take the opportunity to feature more of the musicians among us. Do you play an instrument? (Or would you like to get those dormant abilities back in shape?) Would you be willing to share your talents with our worshipping assembly? It can be as simple or as elaborate as you would like—playing along with the piano on a hymn; playing a little piece before or during the service; joining with others in playing together. The cantors are happy to help you out! Talk to Pastor Farlee or Pastor Seltz, and we’ll get you on the schedule.

Also, other issues such as climate control and lighting in the chamber are being addressed.

Let’s say thanks to Darrell Anderson, who has put in much time and lent his considerable expertise to the plans for preparing the chamber behind the screen for the new organ.

Additional information regarding the contract for the organ chamber work can be found in the Council Report on page 4. The new organ is scheduled to be finished in mid-April 2018.

Artists Among Us

Again this year we were pleased to feature art by members of Christ Church on the covers of the Triduum and Easter service folders. Originals will be on display in the atrium of the Education Wing, beginning with Jeff Weispfenning’s.

Jeff Weispfenning created a new painting for the Triduum bulletin. Jeff was born September 11, 1966 in Moorhead, Minnesota, the youngest of five children. He attended Minnesota State University, Moorhead, graduating in 1997 with a Bachelor of Fine Arts degree – Painting; also studying Printmaking and the Graphic Arts.

Weispfenning paints in a basement studio, dubbed “The Artcave” at his home in Minneapolis’ Longfellow Neighborhood where he lives with his wife, Sarah, their son Freddie, and one tuxedo cat. Every year he participates in the local LoLa Art Crawl in the Longfellow neighborhood.

Since 1993 Jeff has entered the annual “Midwestern Invitational Exhibition” at the Rourke Art Museum, Moorhead, Minnesota, where he worked for five years. He was one of the original artists exhibiting at the GK Art Gallery, Cooperstown, North Dakota, once “live-painting” at an opening. He has twice painted in the White Bear Lake, MN, “Open Canvas” event. Jeff had a one-man exhibition at the Rourke Art Gallery, summer 2012. He was the Featured Artist at the Uptown Gallery in Fargo, ND, in June 2015.

The painting Jeff created for the Triduum bulletin is titled “The Risen Christ.” Yet it clearly shows the effects of the suffering he endured. As Weispfenning says, “He gazes directly at the viewer with a knowing, serious look, but not judgmental.”

Anna Mason contributed a painting to grace the cover of the Easter bulletin. Anna grew up in Minneapolis and graduated from St. Olaf College where she majored in Studio Art with a focus in painting and photography. After graduation, she worked in elementary schools assisting children with special needs. She went on to pursue a Masters of Education degree at the University of Minnesota, specializing in teaching students with Learning Disabilities. Anna taught Special Education for nine years in Richfield, Minnesota. Anna lives in the Longfellow neighborhood of Minneapolis with her husband and two children.

Anna uses watercolor to make abstract landscapes, inspired by lakeshore views. In recent years, Anna has focused on making watercolor paintings of the aerial view of Minnesota lakes, ranging from small paintings of obscure lakes hidden in northern Minnesota to large scale paintings of Lake Superior. She has shown her work at the Northrup King building during Art-a-Whirl, the annual open studio art crawl in Northeast Minneapolis. In the summer of 2016 she participated in a two-person art show at Crossings gallery in Zumbrota, MN. In the fall of 2016 she participated in the Longfellow neighborhood art crawl (LoLa), and her paintings were on display at the Riverview Café.

Mason’s watercolor for the Easter bulletin is a semi-abstract titled “Giant Pink Clouds.” Its forms and colors capture the exuberant joy of Christ’s resurrection. And as Pastor Carlson noted, the blues connect heaven and earth, while also suggesting Christ with his arms open wide in welcome.

A continuing goal for Christ Church Lutheran is to become a center for arts of all kinds, especially as they relate to our life in Christ. We enjoy riches in architecture, music, poetry, cooking, and increasingly in the visual arts. Thank you, Anna and Jeff, for sharing your great gifts with us!

Celebrating a Birthday

Church friends celebrate Mary Lou Doll’s 90th at Augustana Apartments, in the wonderful Party Room up on the 7th floor—Elayne Strom, Pastor Carlson, Phyllis Dunstone, and Mary Lou. In the background, Dick Strom looks out the windows on the city he once patrolled as a Minneapolis City police officer. Happy birthday, Mary Lou!

- Jennifer Kalika, viola
- Laura Handler, violoncello
- Gail Olszewski, fortepiano

Jody McGuire receives architecture award

The American Institute of Architects–Minnesota recently announced that Christ Church member Jody McGuire was awarded the 2017 Emerging Talent of the Year Award.

McGuire is currently an associate at SALA Architects in Minneapolis. She earned a master of architecture degree at Yale University and worked in New Haven, CT, and Osaka, Japan, among other places, before joining SALA.

Jody is an adjunct professor at the School of Architecture at the University of Minnesota and a member of AIA Minnesota.

Jurors remarked that McGuire’s work shows “playfulness and adventurousness” while also being well-organized. They felt her work represented an architect who is developing her own, strong voice.

Congratulations, Jody!

Retirees – The Life and Importance of Martin Luther

The Retirees group meets on Wednesday, May 31, at 11:00 a.m. in the Concordia Room. After a presentation by Cantor Robert Farlee, a potluck lunch will follow. Please bring cold foods for the warm weather. All are welcome to attend.

Pastor Farlee recently retired from his “daytime” job as an editor at Augsburg Fortress, the ELCA publishing house. During his last couple of years there he was deeply involved in preparing resources for the 500th anniversary of the beginning of the Lutheran Reformation. He will present a PowerPoint address focusing on reformer Martin Luther.

Second Century Campaign Update

It’s going to be a mess around here . . . for a little while. Major construction projects are about to begin on Christ Church as planned for by our Second Century Campaign. The costs of repair and restoration are expected to approach $2,000,000.

We launched the Second Century campaign in 2015 to run through 2019, with the purpose to repair and preserve our landmark building and replace our ailing pipe organ. Members and friends of the congregation pledged their support in a variety of ways: one-time gifts, pledges to be paid over a 3- to 5-year period, and donated stock. Here is where we currently stand with pledges received and pledges still to come in:

- $1,552,382 total pledges
- $1,323,258 total payments received to date
- $229,124 pledges yet to be paid on a planned schedule

We were fortunate to receive Legacy Grant funding to replace the Education Building roof. The preservation work on the courtyard area will begin on May 15th. Work on the new pipe organ will begin at the end of June. These projects will be largely funded by campaign contributions from individuals like you, and additional grant funding that we have already received, and more that we hope for.

“Now it’s our turn,” the slogan for this campaign, says it well.
- If you pledged, thank you.
- If you have paid off your pledge, THANK YOU!
- If you still paying your pledge, thanks for keeping on track.
- If you are able, consider making an additional gift to this campaign.
- If you are not already part of this exciting campaign, we invite you join us!
**Courier Closeup – Lucille Buelow and Pat Baehler**

**Closeup** is a Courier feature to help us get better acquainted with one another. If you would like to share your story in Closeup, call Donna Lindberg at 651.552.8499.

This month Closeup interviews Pat Baehler, who will become chair of the Altar Guild in May, and Lucille Buelow, who has been an Altar Guild member for 35 years and chair for 24 years.

**Lucille Buelow**

Why did you choose to join the Altar Guild?
I joined in 1982 and became chair in 1993.

What are the duties of the Altar Guild?
As part of the Worship Committee, the Altar Guild is concerned with the care of the worship spaces and placement of the furnishings and appointments used in worship.

What advice would you give Pat as she assumes these duties?
The responsibilities of the chairperson are made much easier with the help of the other Guild members.

Do you have any interesting stories to tell about the Altar Guild?
At one time all of the Altar Guild members were men. Currently, we have one man, Bob Swenson.

When did you become a member of Christ Church Lutheran and what brought you to our church?
In 1959, several women at the Minneapolis VA Hospital where I lived and worked attended Christ Church Lutheran and I started joining them.

How does Christ Church Lutheran help you live and share your faith?
Being a member of the Altar Guild has increased my understanding and faith in the various aspects of the worship service.

What can you tell us about yourself that we may not have known?
My sister, who looks a lot like me, was at St. Olaf College while Pastor Carlson was doing her seminary internship there. When I came to Christ Church twenty years later, Pastor Carlson made the connection just by looking at me!

Do you have anything else to share?
As S. Anita Stauffer said in her book *Altar Guild and Sacristy Handbook*, “Members of the altar guild are grateful servants: ministers of God, ministers of God’s people, ministers of the liturgy, and ministers of the worship space.”

**Pat Baehler**

When did you join the Altar Guild?
Shortly after I joined Christ Church in 2009. I enjoy the way members help each other and the happy atmosphere of the sacristy.

Has Lucille given you any advice about becoming chair?
Lucille has been a kind, faithful, and thoughtful leader. I couldn’t ask for more support as I begin this important work.

Why did you choose to take on this responsibility?
The Altar Guild is a quiet ministry, but vital to our life together. In this role I feel I can give back to the faith that has given me so much.

Do you supervise others or coordinate volunteers in this capacity?
This is all about coordination and continuing Lucille’s efforts to recruit new volunteers.

When did you join Christ Church Lutheran and why?
When I moved to the Twin Cities from Chicago I visited Christ Church and felt at home almost immediately. I loved the worship, the preaching, the care that went into every service. I am grateful every day for our community here.

How does Christ Church Lutheran help you live and share your faith?
Christ Church challenges me to think differently about God, about faith, and about our world.

What can you tell us about yourself that we may not have known?
My sister, who looks a lot like me, was at St. Olaf College while Pastor Carlson was doing her seminary internship there. When I came to Christ Church twenty years later, Pastor Carlson made the connection just by looking at me!

Do you have anything else to share?
As S. Anita Stauffer said in her book *Altar Guild and Sacristy Handbook*, “Members of the altar guild are grateful servants: ministers of God, ministers of God’s people, ministers of the liturgy, and ministers of the worship space.”

This place makes sharing my faith much easier. I know even my agnostic or atheist friends will be welcomed at events or services here.
